Call to Order: by Reeta Singh at 6:30 pm

Approval of 6/10/26 Minutes: Approved

Public Comment: Ethan Barnette, City Storm Water Manager, discussed the “Watershed Game” run by Clemson Extension designed to help local leaders understand how land use and development choices affect water quality and municipal budgets.

Action Items: None

Discussion:

- a) Sustainability Monthly Promotions: Assigned monthly promotion leads – see updated Sustainability calendar.
- b) Mosquito Spraying: Agreed to develop a presentation and recommendation on mosquito spraying for city council. Cindy and Eunice to pull together presentation for discussion and action at August meeting, to bring to city council in September or October
- a. CDP Cities: Received briefing on CDP Cities. Rob provided brief introduction to CDP Cities and will send out slides to committee members for their review and future reference.
- b. Ethan Barnette, City Storm Water Manager, Watershed Game: Ethan invited committee members to join the game. The purpose is to build awareness, skills, and tactics on how to better manage stormwater.
- c. Urban Land Management Staff Report: Tony presented on highlights from work performed through the month of June.
- d. New Business: None

Motion to adjourn: 8:00 pm Meeting adjourned.
