 - Jacquie Myers asked for some details on the grant details and what it funds.
 - Chief Campos advised it covered salary, computers, equipment, etc. Grant is for one year. We have applied to have it funded for an additional year.

- The Savannah Bananas game went almost as expected. The biggest hiccup was traffic getting out since everyone left at the same time.
- Lisa Robinson asked about the accident that occurred on SC93 / US76 that was on the news.
 - It's still being investigated by CUPD since it occurred in their jurisdiction.
- Chief Campos discussed an ordinance we are considering presenting in reference to the parking deck. It is an effort to curb youth using the parking deck as a hangout. We do not currently have an ordinance to address it. It is a public space, but there are cities in SC that have. The city attorney is helping research those ordinances to find something that suits our circumstances. Chief Campos asks to put this as an agenda item for the next meeting once the city attorney has a chance to review.
 - Pablo Unda asked if there was any physical damage that was a result of these things
 - Chief Campos mentioned the incident in ref to a juvenile that damaged an elevator in the parking deck.
