Discussion of New Sub-Committee rules: City administrator sent a memo to the board and commissions chairs. No board or commission may form any subcommittee or mission group without permission from city administration and your board support person. The reason is for transparency. Any sub group also has to be recorded and reported for legal reasons like any regular meeting.

Golf Cart Ordinance Update: The city ordinance passed. We stopped several golf carts during the LSU game and cited several for violations. There was one towed because it was not permitted through the state and had no insurance. We observed golf carts being used as taxis and that is not allowed in the city so they were cited for that.

Parking Deck Ordinance Update: Chief Campos advised we are back to the drawing board on a parking deck ordinance due to legality and issues with enforcement.

Requested Presentations: None presented.

Board Member Open Discussion: Sandy Edge asked, in ref to the code of conduct, questions about setting public comments time limits. He also asked about the line mentioning members of boards not attending or participating in other meetings.

Adjournment: Kevin Dull made a motion to adjourn. Motion was seconded by Sandy Edge and carried.

Adjourned at 7:13pm.

The next meeting will be held at 6:00PM on Thursday, October 23, 2025, Council Chambers, City Hall. Minutes submitted by Karla Jones, Admin. Assistant to the Chief of Police, City of Clemson.
